

Comm**I**tted to You!

At Teoma Systems, we understand that we are here to serve our clients. That's our job, That's our mission, it's what we do. Every single employee believes in this mission and works every day to fulfill it. You can check the box with Teoma Systems!

Our commitment to our clients runs deep and is demonstrated in the following ways:

It's all about the team

- ✓ All installation and service work is performed by Teoma badged employees. You will never see our B-Team. We don't have one
- ✓ All work performed by highly trained and certified technicians and engineers
- ✓ Our average employee tenure is over 10 years!
- ✓ You are assigned a dedicated project manager and sales representative

You won't get lost in the shuffle

- ✓ Our clients receive a dedicated support line and email address
- ✓ 95% of support desk calls are answered in 4 rings or less by a live human being
- ✓ Big company results with small company attention
- ✓ We are local to Southeast Michigan, based in Troy

We can handle many of your voice, data, and IT needs

- ✓ Teoma Systems is multi-disciplined technology company, a virtual one stop shop
- ✓ Our trained technicians can handle all your IT needs, or assist on an as needed basis

We guarantee our work

- ✓ We are licensed, bonded, and insured
- ✓ Our work is not complete until you are satisfied
- ✓ We set all expectations in advance and supply a clear and concise scope of work
